

REMARKS

Claims 23-27 are pending in the application. Applicants submit the present amendment in response to a telephonic interview with the Examiner indicating that step (c) of claim 23 requires clarification. In response Applicants provide the present amendment wherein the name has been replaced by the structure corresponding to this compound. Support for this amendment is found throughout the application as filed, and in particular in paragraph 0039 and the scheme immediately preceding this paragraph in column 2 of page 6 of the published application US 2006/0004203.

All claims are in a condition and form for allowance. An early and favorable action on the merits is respectfully requested. Should the Examiner wish to discuss any matter required to advance this application toward allowance, the Examiner is urged to telephone the undersigned at the indicated number.

Respectfully submitted,

/Dan L. Wood/
